

Dejour Energy Granted Full NYSE MKT Listing Compliance

VANCOUVER, British Columbia—June 04, 2015-- Dejour Energy Inc. (NYSE MKT: DEJ / TSX: DEJ) (“Dejour” or the “Company”), an independent oil and gas exploration and production company operating in North America’s Piceance Basin and Peace River Arch regions, today announced that it has received notification on June 1, 2015 from the NYSE MKT (“the Exchange”) that it has regained compliance with Section 1003(a)(iv) of the Exchange’s Company Guide as of the end of the maximum eighteen month cure period that ended on May 22, 2015. This requirement addresses a company’s ability to continue to operate as a going concern.

The Company noted that the Exchange is continuing to actively monitor its liquidity position on an ongoing basis, including its progress on several near term milestones communicated to the Exchange in connection with its business plan.

Statements Regarding Forward-Looking Information: This news release contains statements about oil and gas production and operating activities that may constitute "forward-looking statements" or “forward-looking information” within the meaning of applicable securities legislation as they involve the implied assessment that the resources described can be profitably produced in the future, based on certain estimates and assumptions. Forward-looking statements are based on current expectations, estimates and projections that involve a number of risks, uncertainties and other factors that could cause actual results to differ materially from those anticipated by Dejour and described in the forward-looking statements. These risks, uncertainties and other factors include, but are not limited to, adverse general economic conditions, operating hazards, drilling risks, inherent uncertainties in interpreting engineering and geologic data, competition, reduced availability of drilling and other well services, fluctuations in oil and gas prices and prices for drilling and other well services, government regulation and foreign political risks, fluctuations in the exchange rate between Canadian and US dollars and other currencies, as well as other risks commonly associated with the exploration and development of oil and gas properties. Additional information on these and other factors, which could affect Dejour’s operations or financial results, are included in Dejour’s reports on file with Canadian and United States securities regulatory authorities. Other risks include the Company’s ongoing review by NYSE MKT (“the Exchange”) to ensure the Company continues to regain compliance with Section 1003(a)(iv) of the Company Guide which addresses a Company’s ability to operate as a going concern. We assume no obligation to update forward-looking statements should circumstances or management’s estimates or opinions change unless otherwise required under securities law.

The TSX does not accept responsibility for the adequacy or accuracy of this news release.
